Dear Yaniv Livneh:

Congratulations! It is with great pleasure we present your company with this Avaya DeveloperConnection Compliant Award for successful compliance testing with Avaya Inc.'s Communication Manager release 3.1 via QSIG and Converged Communication Server release 3.1 via SIP.

Your company's T3 Platform version 10.4.2 has been compliance tested by Avaya's DeveloperConnection Technical Team and has been officially accepted as compliant on May 11, 2006. The Avaya DeveloperConnection Compliant Award is now valid, based on the stated version of each party's solution.

Avaya is committed to providing its customers with solutions that are fully compatible with the T3 Platform version 10.4.2. With this successful Compliance testing, Avaya provides customers the assurance of successful product interoperability. By continuing to pursue improvements in product integration, we offer a more cost effective, integrated solution to our customers.

Please look to the Avaya DeveloperConnection Program for continued marketing and development support of your product in conjunction with Avaya Inc.'s Communication Manager release 3.1 via QSIG and Converged Communication Server release 3.1 via SIP.

We look forward to continuing our joint success in the future. Again, Congratulations!

Sincerely

Matthew Parker
